- Game 5 Bill Bell & Chris Pettitt lost 2 down
- Reserves Frank Michael & Bernadette Johnston lost 1 down

Today's golfing report thanks to team member Frank Michael.

Royal Studley Park had its 2017 campaign on the line today as it was do or die sudden death blockbuster golf that the golf channel on Fox drool over . Well that's what it felt like in the 40+ degree heat wave we were playing in. To their credit Macquarie Links had the drinks cart doing the rounds as well as icy cold wet face washers which were gold thankyou and very much appreciated!!

Bill & Chris were first to the tee after Chris won the toss but unfortunately were pipped at the post for their first loss of the season, unlucky guys - great effort. The second wave of our attack was Bruce & Tricia who have a rocky history with this club and like our first pair just ran out of holes to get the job done. Next up was Duane & Candice a pair delivered straight from the golfing gods themselves ripped their opponents apart. Simply outstanding well done!! Following the golfing immortals were the tried and tested pairing of Adrian & Maxine. These two have had an indifferent season but today was theirs and they chimed in together and disposed of their hapless opponents with ease, Great win well done!!

Stepping up to the tee was the undefeated pair of Daniel & Bec. Unfortunately today they met their match and some. You can't win them all unlucky guys! Well that leaves myself & Bernadette bringing in the rear in the reserves match. Mind you the pressure was on as we (Royal Studley Park) are undefeated in the reserves season. This was our first match together and we won the first off to a flyer. They would work their way to the lead by the fifth hole and we then squared 7 holes straight. We were in a battle here. Needing to win the last to square the match the opposition drained a three and half metre downhill putt to square the whole and win the match unbelievable. Great game Bernadette unfortunately the golfing gods weren't on our side today!

Our dreams have been shattered and we will not be progressing to the knockout phase of the competition. Until next week cheers!

Final round next Sunday 12 February at Camden against Glenmore Heritage
