

The Camden Super Rams Open Their 2017 Campaign

The Super Camden Rams have plenty to live up to in 2017. After the glory of last year the team travelled to Twin Creeks to open our season against Strathfield.

Joe Smuk again led the team out in style at number 1. Joey had a strong 1 up win.

Danny Seiko continued last season's form with a strong 1 up win at number 2.

Neville Hoskin had a very strong 4/3 win at number 3.

Brian Thorn continued his form from last year with a solid 2&1 win at Number 4.

Kenneth Bellman - what can we say - the real Kenneth didn't turn up today. Left the door of his car open and the boot up in the car park at Camden. We realise that some of us older Super Rams are tending to become a trifle forgetful. However - door open - boot open - motor running? Kenneth lost 2 down. Our Ram will be back next week I am sure.

Peter Legge had a 7&6 win at Number 6 - what you ask is Peter doing at Number 6? well you might ask. This is the man who started his Super Rams career at Number 1.

Steven O'Donnell was welcomed to the team as our youngest Super Ram. However the momentous occasion did overcome this super solid player on the day and he went under 1 down.

David Kidd began his 2017 campaign with a strong 4&2 win at Number 8.

Next Tuesday 14th February we travel to Strathfield to face the strong local rivals - Campbelltown.
