

SUPER SENIOR PENNANTS

9th March 2017

My final Camden Super Senior Rams Report for 2017. Obviously at this stage, we are hurting from our loss to Magenta Shores in the knock-out phase of the competition. Obviously we missed Danny Senko but we wish him well at the Australian Pool Championships.

Joey Smuk played beautifully around Asquith Golf Course but was beaten 4/3 by Richard Greville who has had a strong record on the Senior Order of Merit for a long time. *I didn't recover well from my lay-off of three months and it showed - a poor performance to lose 3/1 in a match I should have won.*

David Kidd struggled valiantly but went down 7/6.

Neville Hoskin played strongly as usual and had a strong 4/2 win.

Peter Legge had a sound half - one of only two matches to make it to the 18th hole.

Brian Thorn played his usual strong game but went down 3/2.

Steven O'Donnell capped a very strong season with a dominant 4/2 win in his match.

Noel Beattie once again displayed his Bulldog spirit to win 1 up in a very evenly contested match. Ahead 3 up at on stage Noel was 1 down at the 16th. He turned that around by winning the last two holes. The never say die Bulldog triumphed again.

Overall Result:

Magenta Shores 4½ defeated Camden 3½

We love and cherish this opportunity to play competitive golf at this stage of our golfing careers. I must thank our sponsor **Garry Campbell**, the Club for its support and the entire team for another great season.
