

Super Senior Pennant Report

Final Sixteen Teams Knockout Stage

Played 18th April 2016

Played at Muirfield

Against Toukley from the Central Coast

Result = Camden 5 1/2 Toukley 1/2

We travelled to Muirfield knowing the Central Coast is one of the stronger bastions of the Super Seniors Competition. Toukley would be a major challenge for us to overcome.

Joe Smuk won his match 4 & 3 with an almost flawless display. Joey hit fairways, greens and one putted to totally dominate his opponent at Number One. I was 1 up with 2 to play at Number Two and Kenneth Bellman was 2 up with 2 to play at Number Three when the matches was called off because we had too many points for Toukley to pull back.

Peter Legge had a strong 3 and 2 win at Number Four. Neville Hoskin squared his match at Number Five.

Brian Thorn, Noel Beattie and David Kidd had mistake free wins to enable us to crush the strong Toukley outfit.

Garry Wackett acted as Manager on the day and kept us all informed of the battle as we made our way around the beautiful Muirfield layout. A great club man and dedicated member of the team.

It was a fantastic result for our club. This is just our fourth year of the NSW Super Seniors Pennant Competition.

Tentatively our next match is on 26th April – at Oatlands against the winner of Belmont Nelsons Bay in the quarterfinal play-off.

Yours in golf
