

**Super Seniors Pennant Report**  
**Quarter-Final Stage - Played 26<sup>th</sup> April 2016**

**Played at Oatlands**

**Against Belmont from Newcastle**

**Result = Camden 5 Belmont 3**

The Camden Senior Super Rams travelled to Oatlands knowing Belmont have won or been runner up more times than any other club in the Super Seniors Competition. Belmont were red hot favourites and would be a major challenge for us to overcome.

Joe Smuk won his match 3/2 with another flawless display. Joey hit fairways, greens and putted amazingly on difficult greens to totally dominate his opponent at Number One.

I was totally dominated 6/4 at Number Two by a red hot opponent – two birdies in my round and didn't win either hole.

Captain Peter Legge was also given a drubbing 6/5 at Number Four.

Neville Hoskin again squared his match at Number Five. Neville has been sensational all year in every match. However the entire team learnt a lesson about marking your ball on the 18<sup>th</sup> hole of Neville's match. Enough said – if you want to know more ask Mr Hoskin!

Brian Thorn had a magnificent win 2/1 at Number Five. The silky swinger just keeps getting better.

Despite being our tenacious Bulldog Noel Beattie halved his match in a very tense situation where he knew everything was on the line for the Rams.

David Kidd was two down early but fought back magnificently to win 3/1. This left the Super Camden Rams leading Belmont 4 matches to three.

Kenneth Bellman stepped up to the 18<sup>th</sup> tee with the honour but with his match all square. The Ram with ice in his veins hit his tee shot on the par 3 eighteenth to 15 foot. His opponent hit a magnificent shot that covered the pin but the ball kicked into the back bunker. His Belmont opponent hit a magnificent shot to leave him a putt for par. Kenneth then stepped up and hit his putt to 3 inches of the hole. His opponent then missed his putt leaving Kenneth 1 up and Camden's Super Rams the as proud as any group of Camden players could have ever been.

Garry Wackett acted as Manager on the day and did a fantastic job encouraging and informing the entire team throughout our matches on the very impressive Oatlands layout. It was a fantastic result for our Club.

Tentatively our next match is on 2<sup>nd</sup> May – at Castle Hill against the winner of Cronulla and Wollongong in their quarter-final play-off.

Yours in golf
