

Super Senior Pennant Report

Division 2 - Played 7-3-2016

Round 4 at Carnarvon

Against Wollongong

Result = Camden 4 Wollongong 4

We travelled to Carnarvon knowing this game would basically decide the teams to progress to the play-off stage.

Wollongong are one of the better teams in Super Seniors and this contest was going to be hard fought

Joe Smuk played one of the legends of South Coast golf and although he tried hard was beaten 5/3 at Number One. Captain Peter Legge had another strong 7/6 win at Number Two although enquiries have been made about whether it is legal for his opposite number to have carried so much alcohol onto the course. I played at Number Three and although only beaten 2/1 my opposite was too solid on the day. Neville Hoskin had another very strong win – 2/1 at Number 4 which is very impressive against the strong Wollongong side. Kenneth Bellman came back into the side and as we all know Kenneth adds great depth to our team – a fantastic 2/1 win at Number Five. Noel Beattie played strongly to reach the 17th but was finally overcome 2/1 after a titanic battle. David Kidd had another great match winning 2/1 around a very difficult course against a very tough opponent. Garry Wackett recorded his first defeat of the season – 4/3 against a much lower handicapped opponent.

This left the result at 4 all.

We are slightly ahead of Wollongong on individual matches won. We need to win as many individual matches and every round from here to stay at Number 1 in our Division.

Our next match is on 14th March – at Hurstville against The Grange.

Yours in golf
Neville Smith
