

Volunteer's Report

Monday 16th May 2016

Volunteers :- Brian Thorn, Stephen Humphreys, Phil Cleaton, Dave Butler, Phil Bevington, Pete Tanner and James Joshua

Apologies:- Jan Domanski, Bob Preston, Byron Myer, Ian Goodall, Ken Bellman, Peter Legge, Frank Farrugia, Gordy Bray, David Kidd, Leigh Grice, and Bob Gray.

Achievements:

Spraying:

Phil C & Stephen H teamed up again and covered holes 1,2,17 & 18 and no doubt various other areas on their rounds.

Soiling:-

A small but quite a deep rut at the rear of the 10th green which had been done in part but now complete.

Mulching:

Mainly the LHS gardens on the 1st fairway.

A significant area which included some unsightly shrubs, the first of which was removed by the team.

Having done that, our el presidente in passing thought it would be a good move to remove the others.

All in all, a very good decision – the result, a much improved garden area which will help eradicate slow play on the 1st.

Stick Run:

Ah, Brian is back!

He with Peter T worked on to about 2pm and collected a substantial amount of timber – well over a trailer load or two.

I am sure that the Camden Cup golfers on the following Saturday would have appreciated this effort.

12th Tee Project update:

Contractors arrived at 6am with yours truly and installed the 66 metres of footings including roadbase. I would have to say a very professional job and the price was right.

I should give them a short plug as the business name – Islason Landscaping and Excavations is a combination of my two grand-daughters names.

(Don't worry, everything was arranged with the sanction of board and management.)

Next stage is to lay the blocks and thankfully, Gordy will be available 30/5 and will be the boss for a day.

Volunteer's Trophy:-

“Studley Park – Order of the Shovel – Vos Estis Sal Terrae”

Modesty would normally preclude the recipient from accepting this honour for the second time.

However, **Peter T** has gone above and beyond the call of duty to arrange the 12th project thus far and did put in extended hours from 6am to 2pm (and Brian had absolutely no sympathy when this was mentioned to him).

And it may be prudent that I remove the usual 48hr opt out clause this week!!
Cheers.
