

Volunteers Report

25th July 2016

With our leader Peter in England for three (3) weeks sightseeing and attending the open, the Volunteers went on a winter recess.

The Thorne (Brian) appeared to suffer withdrawal systems and did a ring round for a stick run. He got 2 takers Byron and the writer. After Saturday's (24th June) strong winds we covered 16/18 holes and managed seven (7) trailer loads of branches.

Once again thanks to the Club, kitchen staff and Sue Walsh for organising a lovely lunch for the trio.

With our leader Peter now returned, the team is refreshed and 'raring to go' in the coming spring season.

Regards,
Ken Bellman.
