MAJOR PENNANT UPDATE

The Camden Major Pennant side has now won 4 games from 5 and will go into the weekend against Kogarah needing a win or draw to advance through as section winners and make the semi finals.

Camden's individual record for the year is 25.5 wins and only 9.5 loses out of 35 games, which is outstanding and having 4 points out of a possible 5 on the leader board.

Previous Rounds:

Round 1 v Antill - Camden won 5 - 2 away

Round 2 v Antill - Camden won 5.5 - 1.5 home

Round 3 v Eastlake - Camden won 5.5 - 1.5 home

Round 4 v Eastlake - Camden lost 3 - 4 away in gale force winds

Round 5 v Kogarah - Camden won 6.5 - 0.5 home

I would like to thank Brian Thorn and Neville Hoskin for helping at the home games along with Stuart Meani and the Pro Shop staff as things ran perfectly we could not ask for anything more. Also thank you to Greg Matheson for putting weekly pennant updates in his bulletin.

A big thank you to the supporters who have been coming out in force this year, it is very much appreciated by the players and myself and was fantastic to see you on the course.

Win, lose or draw on the weekend this team/squad has performed extremely well and played as team, which is all you can ask for.

Also this year we had the opportunity to play some fringe players to give them experience in match play. So thank you to Matt Palmer, Corey Jaeger, Josh Battle and Ryann Midei for giving up your time to attend and play for Camden Golf Club, I know it is making selections harder each week.

Let's hope Camden can have a win on the weekend and if you are free and feel like a drive, come out and support the boys at Kogarah Golf Club, which starts at 11.00am.

Team List for Sunday:

- Darren Cummins (C)
- Dean Mulley
- Lindsay Hudson
- Daniel Meldrum
- Mitch Arnold
- Greg Matheson
- Michael O'Toole

Reserve: Ryann Midei

Good luck to the team and never give up.

Ash Birkin,
Camden Pennant Manager.
