

SUPER SENIORS REPORT

Monday 20th August 2018

Played at Cronulla (versus Wollongong)

Firstly as a team our many thanks to Garry Campbell (Campbelltown Coolrooms) for his continued support and sponsorship. He makes our team something special within a special Club! A special member!!!

We travelled to Cronulla knowing Wollongong has always been a tough opponent. We have met many times over the years and each time there is nothing in the result. Sometimes the Gong have the better of us by half a point, sometimes we have the better of them by half a point.

We had Joseph Smuk, Brian Thorn, Robert Carpenter and myself all returning after serious bouts of illness or injury. This was going to be a tough day for our team. Robert Carpenter was the new young man on the team and fell 4/2 against a tough opponent at Number 8.

Noel Beattie had the big hitting ex-member David Phipps. Bulldogs bit David quite savagely to record a gutsy 2/1 win at Number 7.

Brian Thorn made another strong start to the season with a strong 3/2 win at Number 6. This after driving the bus - a very demanding role - hard to win after driving for an hour and a half.

Joseph Smuk has been battling illness and returned with a great 2/1 at Number 5. Definitely boosted team morale.

Steven O'Donnell blew his opponent off the course at Number 4. We all know what a fine golfer Steve is and he reinforced this with a strong 7/5 win.

Neville Hoskin had a strong 3/2 win at Number Three. Whoever plays Nev always has a battle on their hands and 2018 looks like another promising season for this great team man.

I had my hands full being 3 down after ten but came back to win 2 up at Number Two.

Kenneth Bellman had a sensational day at Number One. I had the privilege of playing in Kenneth's group. He was cool and in command from the first shot. Gave his opponent nothing - well one hole but you need to ask him about that hole. A 5/4 win which was mistake free for 13 holes. A great win at Number 1.

Next Monday we are at Wollongong playing the strong Campbelltown side.

Yours in Golf
