

**Garry Campbell's Super Senior Camden Rams
Pennant Team**

Monday 3rd September 2018

Played The Grange at Kareela

David Kidd played at Number 8 - a very strong 5/3 win to set the scene for a dominating display from the team.

Noel Beattie played at Number 7 and recorded another solid Bulldogs win - his opponent was bitten 5/4.

Peter Legge returned to the side at Number 6 and had a strong 5/4 win. Welcome back Captain.

Frank Cahill played at Number 5 and continues to grow as a player in our side. A sensational 6/4 win which was our equal best win of the day.

Neville Hoskin at Number 4 was a couple down on the turn but fought back to record a solid 4/3 win. This win ensured a win for the day so it was quite a moment.

Joseph Smuk at Number 3 continued his return to better health and great golf. Always had the measure of his opponent for our equal best win of the day. Joseph triumphed 6/4.

I played at Number 2. I was 5 down after 8 holes and tried to turn it around. Fortunately I was the only loser for the day when I conceded at 4/3 down.

Kenneth Bellman again played at Number 1. Ken always plays from the heart. Down by one, then two; at one point by three, Kenneth just gritted his teeth and never gave his opponent anything. In the end a very meritorious half!

The end result.

Camden defeated The Grange (Wollongong) 6 1/2 games to 1 1/2 games.

Next week we only travel to Campbelltown to play the very strong Cronulla team.

Yours in golf
