Volunteers Report

**January
2019**

Our Team:

Ken Bellman, Phil Bevington, Gordy Bray, Frank Cahill, Jan Domanski, Ian Goodall, Bob Gray, Terry Hughes, Stephen Humphreys, Peter Legge, Bob Preston, Peter Tanner and Brian Thorn.

Shift days: - Jan 14 & Feb 4

A new year begins.

Vols in attendance:

Jan 14th - Bob Preston, Frank Cahill, Bob Gray, Peter Tanner, Brian Thorn & Peter Legge.

Feb 4th - Terry Hughes, Bob Preston, Frank Cahill, Bob Gray, Peter Tanner, Brian Thorn & Peter Legge.

Mulching: Nil. The front-end loader is still out of action.

Stick Run: A big stick run on both days with some heavy timber fallen in recent weeks. Not sure how many loads we did on the 14th but **Brian** reports that he dumped 6 big loads on the 4th. *A great effort all round!*

It is also emerging that we have two exceptional chain saw operators in **Frank Cahill** and **Bob Preston**.

Tanner has put his name forward a couple of times to attend but is yet to receive the thumbs up. One reply was "*just stick to your day job **Pete!***"

Here is **Frank** lining up a big one, ably supervised by **Phil, Bob P & Brian**.

Brian beat **Frank** to this one. Warning to all golfers - anything painted **blue** will be felled.

Bob & Frank looking for their next victim. Plenty to choose from at present.

Course Super **Justin** is in the planning stage to implement a total tree management plan – better be quick **JB!!**

Pathways: a couple of paths copped a good fill of mud from recent weather, notably the **7th** (near green) & **17th** (near tee).

Peter L, Peter T & Phil attended. We did ask **JB** if the ‘new’ bobcat was available. He replied that we would probably have the job done by the time he set it up, drove it down and then back again.

Following completion of the task, we may review the bobcat option next time! Yes, the pathways were well and truly clogged. **Great effort all round guys!**

Phil & Pete at the 17th.

Phil at the 7th. Is that a temp green in background?

Sponsor Signs:

Vols are up for just about any chore. **Justin** asked earlier in the week if we wouldn't mind attending to the relocation of two sponsor signs on 2nd & 3rd holes. Not a problem, we said. Here is **Bob Gray & Pete Tanner** attending. **Brian** said 'see you in an hour' We may have gone a bit over, aye Bob. May have been that extra hole we didn't need!

Q: Do selfies reverse things?

Volunteer's Trophy:- "Studley Park – Order of the Shovel – Vos Estis Sal Terrae"

Phil Bevington (Bevo) is our man this month.

Contributed both vol days, very handy on the shovel and broom, and also chimed in last Wednesday with chair staining.

Thanks Phil – Great contribution!

Cheers,

Pete Tanner. VCO, OOTS.

Next Vol Day: Should be Feb 18th.
