

CAMDEN Golf Club STUDLEY PARK

Volunteers Report

Feb/March
2019

Our Team:

Ken Bellman, Phil Bevington, Gordy Bray, Frank Cahill, Jan Domanski, Ian Goodall, Bob Gray, Terry Hughes, Stephen Humphreys, Peter Legge, Bob Preston, Peter Tanner and Brian Thorn.

Shift Days:- February 18th & March 4th

Vols in attendance:

Feb 18th - Phil Bevington, Terry Hughes, Peter Tanner, Brian Thorn & Peter Legge.

Mar 4th - Terry Hughes, Bob Preston, Frank Cahill, Brian Thorn, Gordy Bray, Phil Bevington & Stephen Humphreys.

Mulching: Just a small one out job by **yours truly** ➡ to tidy up the 'memorial garden' at the 1st tee. Lots of fallen debris, old bark and the odd bit of rubbish to rake out. Rest of the team called by the bye close to stumps and completed the run. **Frank Cahill**, our resident cricketing guru should be available for clarification, in need!

Stick Run: It was on again – and fast becoming a regular feature of our report. Team covered the best part of the course and fringe areas. Still plenty of timber about on the ground, and also a considerable quantity attached to dead or dying trees. Some of it a potential hazard to golfers and which the vols' take steps to remove when safe.

Here is a good shot of the team in action:

L to R: Peter L, Frank, Brian, Phil & Terry

Sponsor Signs:

Following the great work of **Bob Gray & Pete Tanner** relocating signs at last shift for **West Refrigeration** and **21st Century Pest**, Course Super **Justin Bradbury** felt reasonably confident that he could extend this duty to 'the wider team', referring to vols listed above for March 4th.

In fact, March 4 saw our biggest turnout of vols this year with an apology from **yours truly (P Tanner)**, who was on leave. Should I read something in between the lines fellas? Surely not!!

Anyway, five (5) new signs needed assembling and **Pete Southby**, our resident Maintenance Engineer was on hand to assist. *Thanks Pete!*

As I understand it, the guys split up into small groups and as the pics show, professional installation was achieved. Clearly inspired by the standard set by **Gray & Tanner!!**

Volunteer's Trophy:- “Studley Park – Order of the Shovel – Vos Estis Sal Terrae”

Two of our regulars – don't need to build them up too much, suffice to say “a couple great vols / great guys”

Pete Legge. *Great smile Pete.*

Terry Hughes. *Remember this one Jeza?*

Cheers,

Pete Tanner. VCO, OOTS.

Next Vol Day: tba – but lots to do.
