

MASTERS PENNANT REPORT

Sunday 28th April 2019-05-01

Round 1

The first round of the Masters Pennant was played on Sunday, 28th April. The Admark Camden Masters team had a home game against a very strong Glenmore team. We were a little fortunate to sneak an 8-7 win, with 4 of the 8 matches going to the last hole (all of which were helpful to us). Team Managers Brian Thorn and Ray Byles were biting their finger nails by the end. However, a home win is a positive, but we know that playing Glenmore away in a few weeks time will be very tough.

Best wishes to Chris Zanoni who suffered a nasty wrist injury during play and had to withdraw after 9 holes. Unfortunately, this injury will keep Chris out of action for at least one month and possibly more, meaning all players are going to have to step up.

Best wishes also to Life Member, Neville Smith who had come to the game as the official starter, photographer and general helper- unfortunately, he received a terrible thumb injury whilst moving a score board, requiring medical treatment, hospitalisation and surgery later in the week. We wish him a speedy recovery.

Individual results:

- Greg Matheson - 1 up win
- Chris Zanoni - injury loss
- Neville Hoskin - 1 up win
- Bill Bell - 3/2 loss
- Neal Besgrove - 5/4 loss
- Peter Nonnenmacher - square
- Gary Hunt - 1 up win
- Bob Zelesco - 2/1 win
