Xmas Report

Shift Days –

Dec 2nd : Bob Preston, Don Smith, Peter Tanner, Terry Hughes, Frank Cahill and Ken Bellman.

Dec 16th : Don Smith, Peter Tanner, Terry Hughes, Frank Cahill and Ken Bellman.

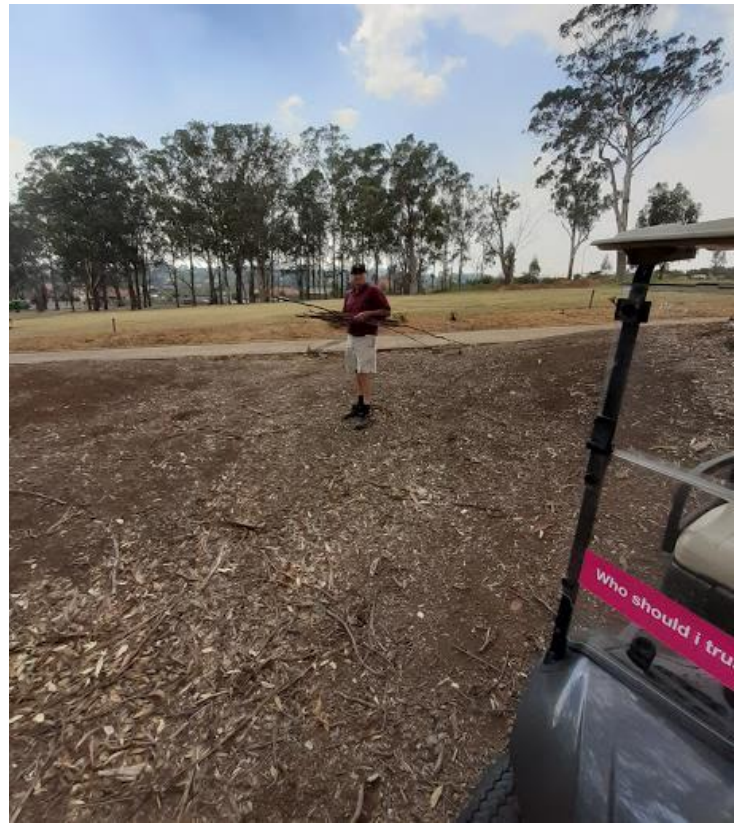

Dec 2nd:

Stick Run / Garden Mulch Combo (cont):

Deja vu – a continuation of mulching the gardens running along the path from 2nd to 3rd and another load of fallen or cut timber of the very dry/dead variety nearby.

Pic: Bob P reversing (something Bob does well) with **Terry & Don** on standby.

Pics: Frank one out mulching the 10th & **Ken** in a familiar pose with sticks in hand. Should I state the obvious- yes, **it's dry!**

(L to R) at the 10th : Bob P, Terry H, Ken B & Don S.

The notice sign at rear says '**watch your language**' and we nearly complied – no names, no pack drill!

Dec 16th:

Stick Run / Garden Mulch Combo (cont):

Team completed mulching the 2nd / 3rd pathway gardens which now connect to the new 3rd tee garden and with a few plants will be looking great.

Collected a large and difficult to handle timber load from the rear of the 7th tee which is looking rather barren. All vols picked up the odd scratch and loss of blood – what a team!

Finished the day mulching the very important entries to ladies and men's toilets plus the memorial garden at the 1st.

Ken reversing (something Ken does well – most of the time) and with **Don, Frank & Terry** loading at the 7th.

Frank & Ken at the large area cleared – with the edge of the 6th green still green & getting watered. Should have enough to keep greens going until early March 2020 according to course super **Justin B.**

Unloading at the rapidly growing dump site near **JB's** sheds.

Frank, Ken & Don after tidy-up of club lawn.

The team mulching memorial garden at 1st.

And that ends 2019.

All in all, lots of achievements and help for our club.

Our 2019 crowning glory. Must be – The Club Carpark Entry.

Many thanks to the club directors and especially **Stephen Humphreys** for their support and recognition of the vols, to **Donna** and her **management team** and especially **Mandy J.** for newsletter editing.

Last but definitely not least, your **Club volunteers.**

THANK YOU ALL.

Volunteer's Trophy: - “Studley Park – Order of the Shovel – Vos Estis Sal Terrae”

All those who participated.

Merry Xmas & Best Wishes for 2020

Peter Tanner. VCO, OOTS.

Next Vol Day: Feb 2020.
