

Major Pennant Report

WEEK 3:-

A solid 4 1/2 to 2 1/2 home win against Woollooware on Sunday 14th, under soggy conditions after the rain event the previous few days. This win was essential for any prospects for progressing past the group stage and the boys certainly rose to the occasion. Some very solid individual wins and some close losses showed that most players were in good form. Manager, Brett Moyes informed spectators prior to the game that Lindsay Hudson, one of our most consistently successful players over many years, was unavailable for the game, missing a Pennant Match for the first time since 1965 (surely he's not that old Brett), so the win was even more impressive.

Individual Results:

- Michael Bell - 4/3 win
- Michael O'Toole - 1 down loss
- Daniel Meldrum - halved
- Corey Jaeger - 3/2 win
- Lincon McLaren - 5/4 win
- Jared Harvey - 2/1 loss
- Matthew Green - 8/6 win

WEEK 4:-

Woolooware away was a vital match for both teams in the context of winning this division and a potential relegation threat. Camden secured the win with another 4 1/2 to 2 1/2 victory, ensuring safety for next year in Division 3 and with an opportunity for promotion if they can defeat current leaders Muirfield at home and away in the next two weeks. *Best of luck boys.*

Individual Results:

- Michael Bell - 2/1 loss
- Michael O'Toole - 2/1 win
- Corey Jaeger - 5/4 loss
- Lindsay Hudson - 4/2 win
- Matthew Ferreira - halved
- Matthew Green - 3/1 win
- Daniel Meldrum - 2 up win

Members who would like to come and support the team this Sunday; we play our final home game - a must win - commencing at 11am. See you there.
